AUTOMATIC HAND SANITIZER DISPENSING SOLUTIONS

### All-In-One Hand Sanitizing Solutions

# REDUCE THE SPREAD OF GERMS & VIRUSES

In a world of viruses and bacteria, DOOH Media Solutions launches a new specially designed digital signage hand sanitizer kiosks that dispense 99.99% germ-killing hand sanitizer.

We offer a new line of sleek freestanding and wall mountable hand sanitizing systems!

These hand sanitizing kiosks come equipped with an internal auto-dispenser that dispenses gel, foam or liquid sanitizer, and feature a sturdy metal enclosing that is designed to withstand public settings. The built-in commercial grade 21.5" display allows organizations to easily display any combination of public announcements, advertisements, videos, slideshows, and media.

Hand sanitizing kiosks are the perfect solution for high-traffic public locations such as:

- Hospitals, medical clinics, and dentist offices
- Grocery and retail stores
- Commercial buildings and malls
- Gyms and health centers
- Hotels and resorts
- College campuses and schools
- Local government buildings
- Gas stations and convenience stores

# ABOUT DOOH MEDIA SOLUTIONS

DOOH Media Solutions is a privately held digital signage company based in Canada, with field sales offices nationally.

We believe that in today's day and age, hygiene is a paramount concern and we want to be a part of the solution and not the problem. With our Digital Hand Sanitizing Displays take charge of marketing initiatives and at the same time provide a valuable service to your customers.

With over 15 + years of Digital Out Of Home marketing solutions, let DOOH Media Solutions be your number one provider of digital signage and software.

Our hand sanitizer digital signage systems come in two all-in-one styles; wall mountable or free-standing kiosks. The wall mounted hand sanitizer signs mount flush against the wall and are ideal for locations with limited floor space such as retail stores, nail salons, banks, or medical clinics. Hand sanitizer kiosk systems are free standing units that are perfect for high traffic public such as malls, airports, grocery stores, schools or museums.

**Software**  
DOOH Media Solutions has developed unique system Software as a Service (SaaS) that enables our team to easily manage dynamic digital signage campaigns, from the cloud to IP-based digital signs anywhere in the world.

**Remotely Control and Manage**  
We broadcast targeted messages to any number of signs, at an unlimited number of locations in real-time using our digital signage software.

**Total Support**  
From world-class training to fast replies we go the extra mile for our customers!
